How we plan to help:

Autism has become one of the fastest growing issues facing young people in our communities. We are looking for local businesses and caring individuals to help make the tournament successful as well as provide monetary support to the Bartlesville and Dewey Public Education programs that assist these wonderful kids. Your help will assist them with the educational resources needed to learn to read, communicate and interact in social environments that they struggle with each day in order to lead normal lives within their families and communities. The need is great, and with your help, we can make a positive difference in their lives. Take a moment to review the sponsorship options available, and we hope that you will join us to improve the lives of these children within the Bartlesville and Dewey communities. **All donations are eligible for tax write-offs. Your sponsorship will be a great way to provide exposure for your business within the local community.**
