

## COVID-19 (Coronavirus) Procedures for Adams Golf Club

### Attention Golfers:

We have put in place added procedures to combat the COVID-19 (Coronavirus) for customers. We are abiding by National, State, and City policies to protect our staff and customers alike. Our employees are disinfecting areas every 2 hours. Below is a list of all the items that are being attended to.

### Enhanced Cleaning Policies:

#### Golf Shop:

1. Facility restrooms
2. Handles, doors, highly touched areas
3. All items in the ice room
4. Tables, chairs, and countertops
5. Range machine, range baskets, sink in locker room
6. Check-in is located outside the north door
7. The clubhouse is closed except for patrons needing to use the restrooms, only 3 people allowed in the building at a time
8. Employees using point of sale registers will use stylus pens
9. Hand Sanitizer available at the front counter for customers
10. Disinfectant spray and hand towels will be provided for the players to disinfect seats, steering wheels, and other touch areas of the golf cars
11. Employees cleaning golf cars after use will wear gloves as they clean and store golf cars for their protection
12. Golf cars will be sanitized before use, steering wheels, seats, and handles on seats
13. No more than 1 player per cart unless you are family living in same household
14. While on the property please maintain Social Distancing of no less than 6' apart at all times
15. All outside seating has been removed, so no social gatherings of any size
16. Only people allowed on the property are those that are practicing or playing golf
17. No one under the age of 14 is allowed in the building without parent supervision

#### Golf Course Maintenance

1. Ball washers and water fountains will not be going out until later in the season
2. Rakes will be pulled out of the bunkers and stored, and maintenance employees will check bunkers once a day
3. Flags on the putting green will be removed
4. With the changes in rules that allow the flag to remain in the cup while putting, we ask that golfers NEVER touch or REMOVE the flagstick. Pull your ball out of the hole with your glove on, we have a swim noodle in the hole to restrict the ball from completely going to the bottom of the hole
5. The bathrooms on the golf course will be locked until further notice

Adams Golf Course is preparing and acting immediately to follow steps to control the spread of COVID-19 (Coronavirus). It is important to keep in mind that golf is an outdoor activity. Our players are spread out and use their own equipment. Hopefully this epidemic will be over soon, and life can back to normal. Until then, stay safe and protect yourself.

Thank you,

Adams Golf Club
